

Leadership in Co-Creating Health with Communities

Judging Criteria

Judges will score nominations based on the following framework.

1. Impact / 15

Contributions by a person or team in partnering with a community in the pursuit of improving health quality. Scoring in this category will consider how the nominee involved some aspect of co-creation to engage and amplify community voices and what matters to them in advancing the health of their community.

2. Leadership / 10

This category considers how the nominee identified an opportunity within a particular community, and supported and motivated the community to work in partnership in pursuit of a common goal.

3. Engagement / 20

The nominee inspired communities, patients, caregivers or family members to engage in efforts to improve quality of care; and/or inspired both the community and health care providers to work together in collective action. The nominee's behaviors and actions demonstrated a commitment to and passion for improving health care in partnership WITH the community.

4. Quality of Submission**/ 5**

The submission contains minimal spelling and grammatical errors, jargon and acronyms. The submission is presented coherently.
